MEDIA RELEASE FORM

April 2013

Program Title: UCSD San Diego Supercomputer Center Student 2013 Summer Programs

According to the most recent legal case law, all photographers taking photographs on University property or of University events must obtain a signed Photo Release Form from any student, faculty member, staff person, or member of the public who is visibly recognizable in the photograph. Crowd scenes where no single person is the dominant feature are exempt. These rules govern photographs intended for use in any University publication of a marketing or a public relations nature, such as newsletters, brochures, promotional items, or other such material. Releases also must be obtained for photographs used on the Web. These rules are not in effect when photographs are taken of news events, but photographs taken for news purposes require a release for reuse in marketing materials.

I, _____, do hereby give the University of California, San Diego the irrevocable right to use my child's name, image (moving or still), portrait, and/or recorded voice in any form of media and in any manner, including composite or partial representations, for recruitment, advertising, instruction, or any other lawful purpose; and I waive any right to inspect or approve the finished product, including written copy that may be created in connection therewith.
